Prologue

Everyone's Story

Each of us is an individual with our own story to tell. Together we are a family with a story to tell. Each chapter in our book is bound together by common people with different interests. All of us in the Newman family are in the same chapter with a common story, our life at Newman.

The theme, "Another Year . . . Another Story" was derived with the idea that it is a new year with a different story to be told. Our life at Newman can be compared to a book, dividing different parts into chapters. We know we can't begin to tell everyone's story, just the common bits and pieces.

Co-editors, Jean Hansen and Beth Grimmond.

The junior religion class listens as Fr. Ressler tells one of the many stories from the Bible in his own interpretations.

No two stories you ever read will be exactly alike. In the same way, certain things make our story of this year genuinely unique. From working, playing, and helping others our special qualities shine through to make the stories of Newman interesting and fulfilling. We feel the story of this year is worth telling or we wouldn't have put this book together. It's an expression of you and me. The staff didn't write this book, we compiled it, you wrote it and you should be proud. Your part in the story is as genuine and unique as the story itself. That's what makes our story, and year, so good.

Each person at Newman is a storyteller. His every word and action are an expression of himself. Newman is full of expressions. Expressions of success, song, fun times, troubles and tears. We feel, however, that our family is content and our story a happy one. Our characters make the story; and, though, like all communities we have our hard times, they can be worked out. Each little "novelty", including the hard times, make our year, and story, richer. So we hope you enjoy the book and remember the story of Newman High, 1980-81.

Service

Anne Otten, Lauri Thomas, and Theresa Borchardt warm up before a home game.

John Cahalan works the lunch line every day and Mike Rottinghaus benefits from John's service.

Voice lessons are important for Ted Tatone who is instructed by Mr. Je Stearns.

Ron Olson, Janet Ermer, and Lauri Thomas enjoy time from class work.

The Knights are full of action in Mason City. Almost everyone was an active part of homecoming. Over 75% of Newman students participate in athletics or cheerleading. Science, speech and math are active programs at Newman also. This doesn't mean, of course that our activities are limited to the boundaries of Newman school. We have people active in such outside interests as racquetball, junior achievement, and church youth groups.

And The Story Begins

LEAFING THROUGH last year's yearbook is John Stattelmann and Tim Geraets. (upper right) SIGNING UP THE ROOKIES is Mrs. Stumo. The rookies are freshman Barb Beavers, Lynn Rohrer and Molly Schmida. (right)

August 15 was the day to register for Newman's 1980-81 school year. Besides registering, students paid their first semester tuition, received their class schedules and picked up their 1979-80 Knightlife. It was a good chance for people who hadn't seen much of each other over the summer to get reacquainted and talk about the upcoming year.

Freshman

Fanfare

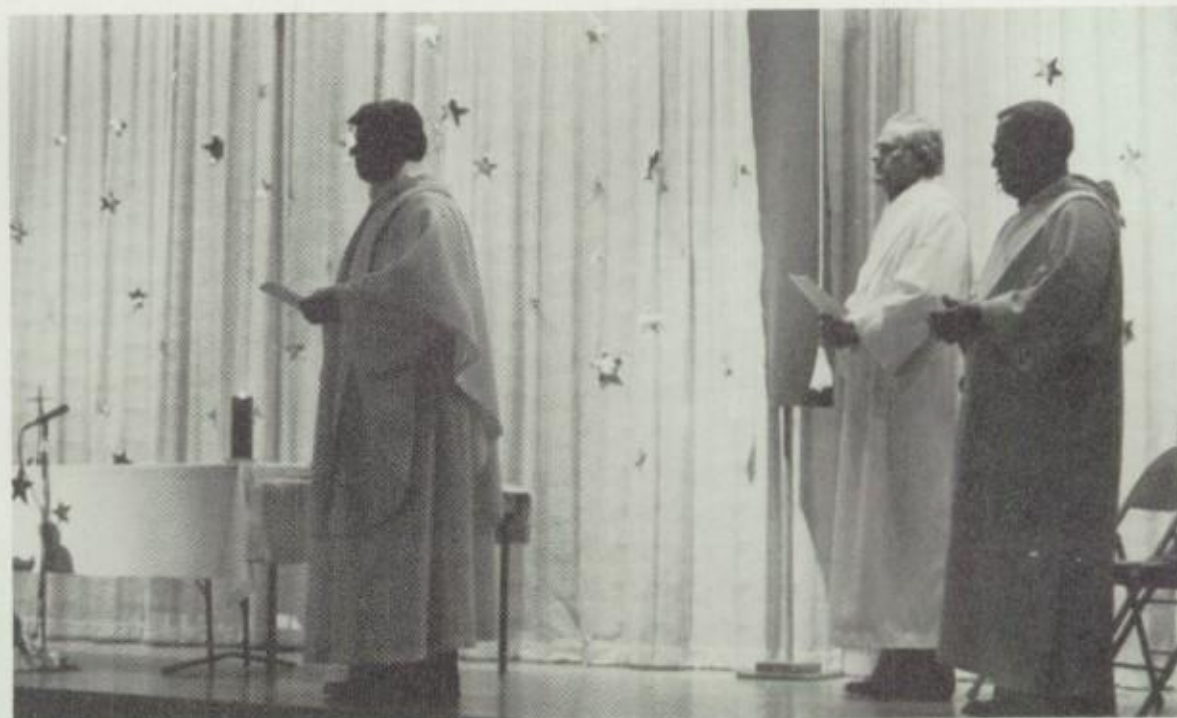

A Newman tradition to welcome the freshmen is to have a field day just for them where they can have fun and frolic. This year it was held on Sept. 10 behind the school where the newcomers indulged in various games and races.

Mass Communication

Worshipping as a family is one thing that makes Newman unique. Through Masses and prayer services we can learn a little more about our faith and grow stronger in it. The POW committee planned the Masses, setting the theme, choosing readings and getting students active in them. We were lucky enough to have three or four priests with us at most Masses and two deacons. Decorations and banners helped to make each Mass special.

The beginning of the year. Everything is fresh and new. So many "firsts" signify the start of the year. The first pep rally or the first staff party after the first issue of the Scribe. School photos make us think of the beginning of the year and being able to sit outside in the sun is a sure sign of not wanting to let the summer go. The bits we recall from the beginning of the year, whether it was our first or last, may remind us of a time when old things became new again and we were ready to give it another year.

Booster & Auxiliary Club Brings A Taste Of Italy To Newman

The Newman Booster and Auxiliary Club sponsored many money raising activities this year such as a fashion show and paper drives. Among them was one really big success, the spaghetti dinner. Mr. and Mrs. Lyle Mackey were chairpersons while Mr. Carl Tatone was in charge of the kitchen and cooking. The dinner was held in the cafeteria from 5 to 9 on Jan. 24. Over 460 people were served spaghetti, salad and garlic bread. Red and white checked table cloths added to the authenticity to keep the atmosphere light and spicy.

Out Of School Jobs

More and more students are finding the need to work for their own money to pay for necessities or extra expenses. Jobs also help occupy extra time a student might have or can be training for a career he or she hopes to have later in life. Not only are jobs profitable and something to do but it can be interesting and satisfying to earn your own money and know you are spending your time constructively.

Keep Knights On The Go

The majority of jobs teenagers hold are at fast food places or retail stores. Many businesses offer a young worker a chance to work his or her way up in rank. Sometimes having a job conflicts with sports or academics but most businesses will work around a student's schedule allowing them to do both.

(bottom) SOAKING UP THE RAYS while waiting for lunch is Inger. (upper right)

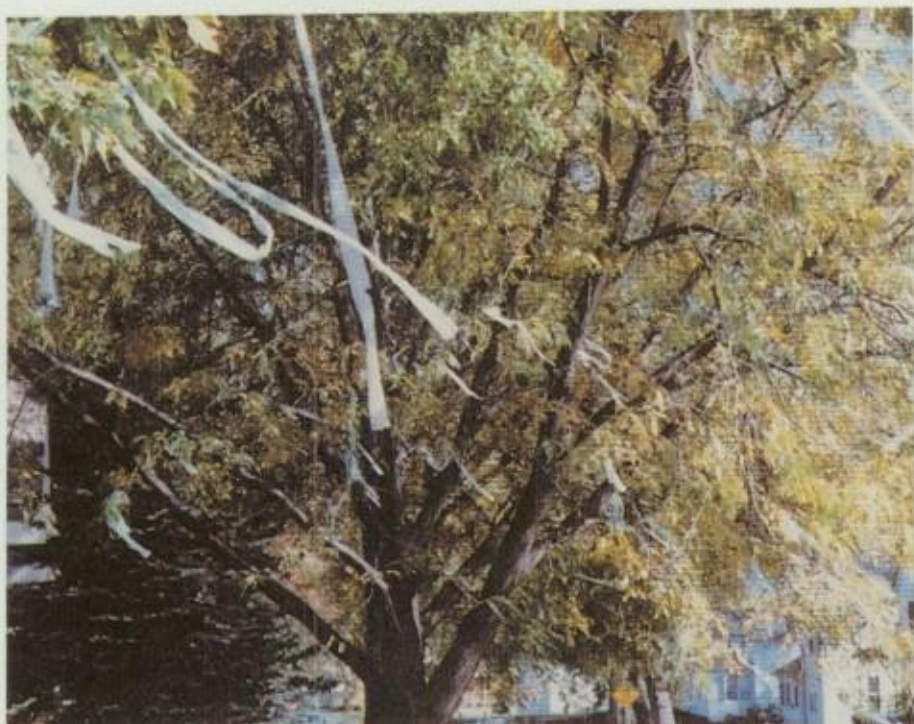

Hi, my name is Marie-France Solari and I am an exchange student from Columbia. It has really made me happy to be here at Newman because of all the love and friendship that everyone gave me. I didn't expect everyone to be so nice and so open to accept me as I am. This year, this experience and you, Newman, will always be in my memory forever. I would also like to thank my family, the Ermers, for taking me as their own daughter. I want everyone to remember the Mexican American/Columbian and I will remember you, Newman. Thanks, seniors, I have a lot of fun. (pizzal)
"Gracias, te quiero Newman"

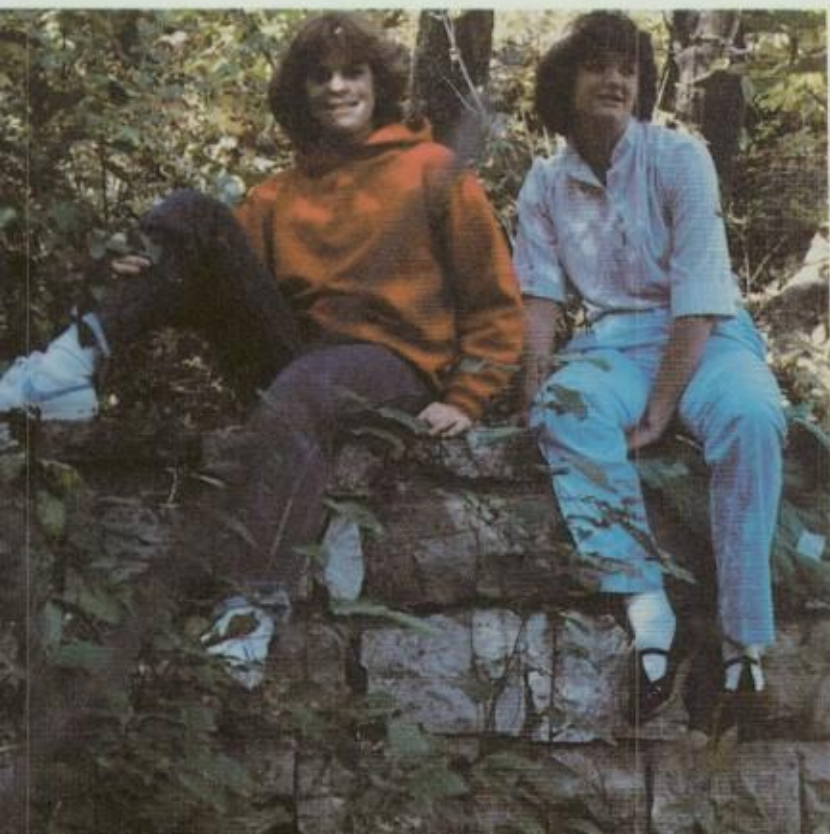

Hi, my name is Inger-Margrethe Hasle and I am from NORWAY! After I moved from Nebraska, I came here to Mason City two weeks before Christmas. I am glad I came here to Mason City and I like the town, my family and of course Newman High School very much. People have been very nice to me here. I like especially all the ball games we go to, that is something we don't do much in Norway. I have really enjoyed this year so far and I have got a lot of good experiences I can take with me back to Norway. Thanks for everything. I have already started planning my next trip to the U.S.A. Hope we will meet again.

Your Norwegian friend, Inger

Pep Rally Sparks Knight Fire

At the pep rally on Oct. 2, Janet Ermer was pronounced homecoming queen of 1980-81. The varsity and j.v. cheerleaders respectively did routines to "Ankytown" and "Working Day and Night," followed by various skits and races, including a jello running contest and a "twisting-the-oreo-apart-without-breaking-the-center" contest both of which went to the seniors. After the rally, Janet put the last flame to the bonfire in back of the school.

Sets 1980 Homecoming Theme

After the game on Oct. 3, the homecoming dance was held at The K.C. hall with "Spectrum" as entertainment. The queen and her court processed in with their escorts by candlelight at 12:00. Queen Janet sat on her throne while the band played an honorary song.

The chosen theme was "Days Come and Go but Knights Last Forever". The idea was to emphasize that as quickly as our days of high school go by, we will always remember Newman and part of us will always be a Newman Knight.

Reigning On Homecoming Night

As is traditional at homecoming six senior girls were chosen to run for the honored title of homecoming queen. The six chosen were Debbie Panther, Lauri Thomas, Sally Bartell, Jill Hutchens, Ann Mackey, and Janet Ermer. Debbie is active in cheerleading and tennis while Lauri is a stand out in basketball, on the choir board and vice president of the Student Council.

Sally is acknowledged for her vocal and instrumental talents and Jill participates in basketball and is an honor roll student. Ann has been a cheerleader for Newman and a class representative while Janet contributes her cheerleading, position on Student Council and her outstanding basketball abilities. All are active and involved young women.

Looking back as Fall ended, you could see the ups and downs of the season. Ups such as winning our homecoming game. Downs such as the cross-country team barely missing going to state for the first time in four years. Hurrying to make deadlines, enjoying homecoming and taking time to appreciate the season's beauty were all a part of Autumn for the people at Newman. As we find another season already upon us, we hope to find it as fun and rich as the last one.

It Wasn't Just A "Wiz" . . .

Hard work, and many night's practice is what makes a big success out of a big production. The cast of "The Wizard of Oz" achieved this under the direction of Mr. Jeffery Stearns. The students performed the play Nov. 9 and 10 drawing approximately 600 viewers each night. The band worked just as audaciously under the direction of Mrs. Barb Emerson to make the production a total success.

Christmas In Song, Mass And Prayer

Song, mass and advent are ways we, at Newman, honored Christmas this year. We gave our "Gift to the Community" at the Christmas concert Dec. 14. Dec. 22 was the all-school mass and for advent we lit candles and prayed in our home-rooms.

RECEIVING PRAISE are Mr. Stearns, Mrs. Shirley Knopp and the choir, (top left). WITH A LIGHT ABOUT HIS HEAD, Rob Pearce sits by the advent wreath in the main lobby, (top right). 'Tis The Season . . .

Joviality, merriment, and making people happy are all a part of Christmas.

This year, one of our custodians, Mr. Harold Rhode, went to St. Joe grade school decked in a Santa Clause outfit to entertain the kids there.

After the Christmas concert, punch and cookies were served in our gaily decorated cafeteria.

Making The Best Out Of The Cold And Snow

Cold mornings, icy roads, and chapped lips are some bad things about winter but learning to recognize its beauty and take advantage of its fun is something we all need to do. A snowfall can be exciting and miraculous to someone who's never seen it before. Even if we're used to it we can appreciate the wonder of it.

Selling For The "Fund" Of It

Besides student involvement and enthusiasm, funds were a major element in the continuity of various activities and organizations at Newman. From among the fund raisers such as jerseys, candles, acrylics, popcorn, sausage, cheese, fruit, and donkey basketball, candy, in any form, seemed to be the most popular. Many groups sold candy bars while Mr. Nyhus was kept busy with a steady stream of customers making purchases at "Nyhus' General Store". Besides the General Store, which was a large filing cabinet overflowing with candy bars, nuts, granola bars, licorice, M&Ms, and other such munchies, Mr. Nyhus sold athletic sweaters, jackets, baseball shirts and socks all going toward a new baseball fence to be put around the field. Other funds went to dances or group accounts. Student Council promoted a tape dance and a grub day to raise money for charity.

Seniors Living The Good Life

When senioritis strikes, it helps to have something worthwhile and constructive to put the extra energy into. Gospel '81 gave the seniors their chance this year and proved to be quite a success. Gospel '81 was the seniors' expression of the Paschal mystery which was brought out through acting and singing. Background music, instrumentals and light enhanced the performances which were separate scenes and acts of the different events in Christ's life. Each actor had a Gospel '81 t-shirt with a precedent symbol while the character portraying Jesus dressed in pure white. The overall affect was profound and refreshing and was an excellent chance to bring the class together in a having-fun-while-working-for-the-same-goal situation.

Another new thing the senior class did this year was to have a senior retreat. It was held at Open Bible Camp in Ventura and lasted all day Friday, overnight, and Saturday morning. Activities included guest speaking by a married couple, a mass, campfire, games, cooking-eating and clean-up, free time, and talks by Lauri Thomas and Jack Rothamel.

The weekend definitely achieved what it set out to. Almost everyone left on Saturday knowing a little bit more about their classmates and feeling a little bit closer to each one.

TO START THINGS OFF the seniors organized a large group. (below) TRUMPETING THE GOOD NEWS are Jane Roach and Tom Schmall. (lower left) HERE'S LOOKIN' AT YOU say Joe Battleson, Robin Hodak and Lisa Boehmer. (far left) LEAVE ME ALONE RON! says Marie. (above)

After the work is done there is fun to be had. That's exactly what 35 letterwinners did on May 17 when they went to Valley Fair for a day. Each student paid only \$5 which covered all expenses except food, and the Letterwinners Club paid for the rest.

Though it was a bit nippy and slightly drizzly, everyone seemed to enjoy themselves and many came back laden with stuffed animals or staggering a little with a slightly green pallor.

The recent hit song "These are the Best of Times" by the group Styx prompted the theme of the 1981 Junior-Senior Prom. The dance was held in the Mediterranean Room at the Holiday Motor Lodge in Clear Lake. The colors were metallic gold and green, providing a bright and enthusiastic atmosphere. The group Disciple provided music and the usual cake, mints, and punch fountain were furnished.

To make their last prom special and close-knit, the senior class and their dates got dinner reservations together at the Holiday Motor Lodge and were all seated at one long table.

The planning and funding were taken care of by the Junior class and the finish product was enchanting and memorable.

Best Of

Tonight's the night we'll make history,
 Honey, you and I, 'cause I'll take any risk to tie back the hands of time and stay with you here tonight
 I know you feel these are the worst of times,
 I do believe it's true, when people lock their doors and hide inside, rumor has it it's the end of paradise, but I know if the world just passed us by
 Baby I know, I wouldn't have to cry
 The best of times are when I'm alone with you-some rain some shine, we'll make this a world for two
 Our memories of yesterday will last a lifetime
 We'll take the best-forget the rest and some day we'll find
 These are the best of times
 The headlines read these are the worst of times-I do believe it's true
 I feel so helpless, like a boat against the tide, I wish the summer winds would bring back paradise-but I know
 If the world turned upside down
 Baby I know, you'd always be around
 Our memories of yesterday will last a lifetime-we'll take the best forget the rest and some day we'll find
 These are the best of times

At Your Service

When the cafeteria is too noisy and concentration is unlikely, many people like to go to the library to study or take advantage of it's facilities. Sr. Kevin is in charge of the library-IMC with help from Regina Cullen, a student worker, and various women of the community who do voluntary work as a service project or because they have or have had children attending Newman.

The library offers reference materials in forms of books, periodicals, records, tapes, film strips, and video machines and offers the same for sheer enjoyment. Couches and armchairs provide comfort in quiet when that is needed also.

Up a little bit more! Lauri Thomas is assisted by Fr. Gehling in positioning Latin class project. Also shown is David Stattelman.

You'd better check this again! Mr. Vega helps out Ann Poshusta while Lisa Cooper, (background), and Tim Otten, (foreground), study hard on their own.

Sister Cynthia carefully adjusts the microscope for Theresa Fitzgerald and Jackie McAleer to practice their skill in examining microscopic specimens.

Scientific

Research

Hey, this is tough! Sally Peterson checks and double checks her answers on the Drake Physics Exam. The test was taken by all physics students.

There, that's just right! Lab technique with the balance is demonstrated by Rita Thompson.

Doug Roth finds chemistry an exacting science.

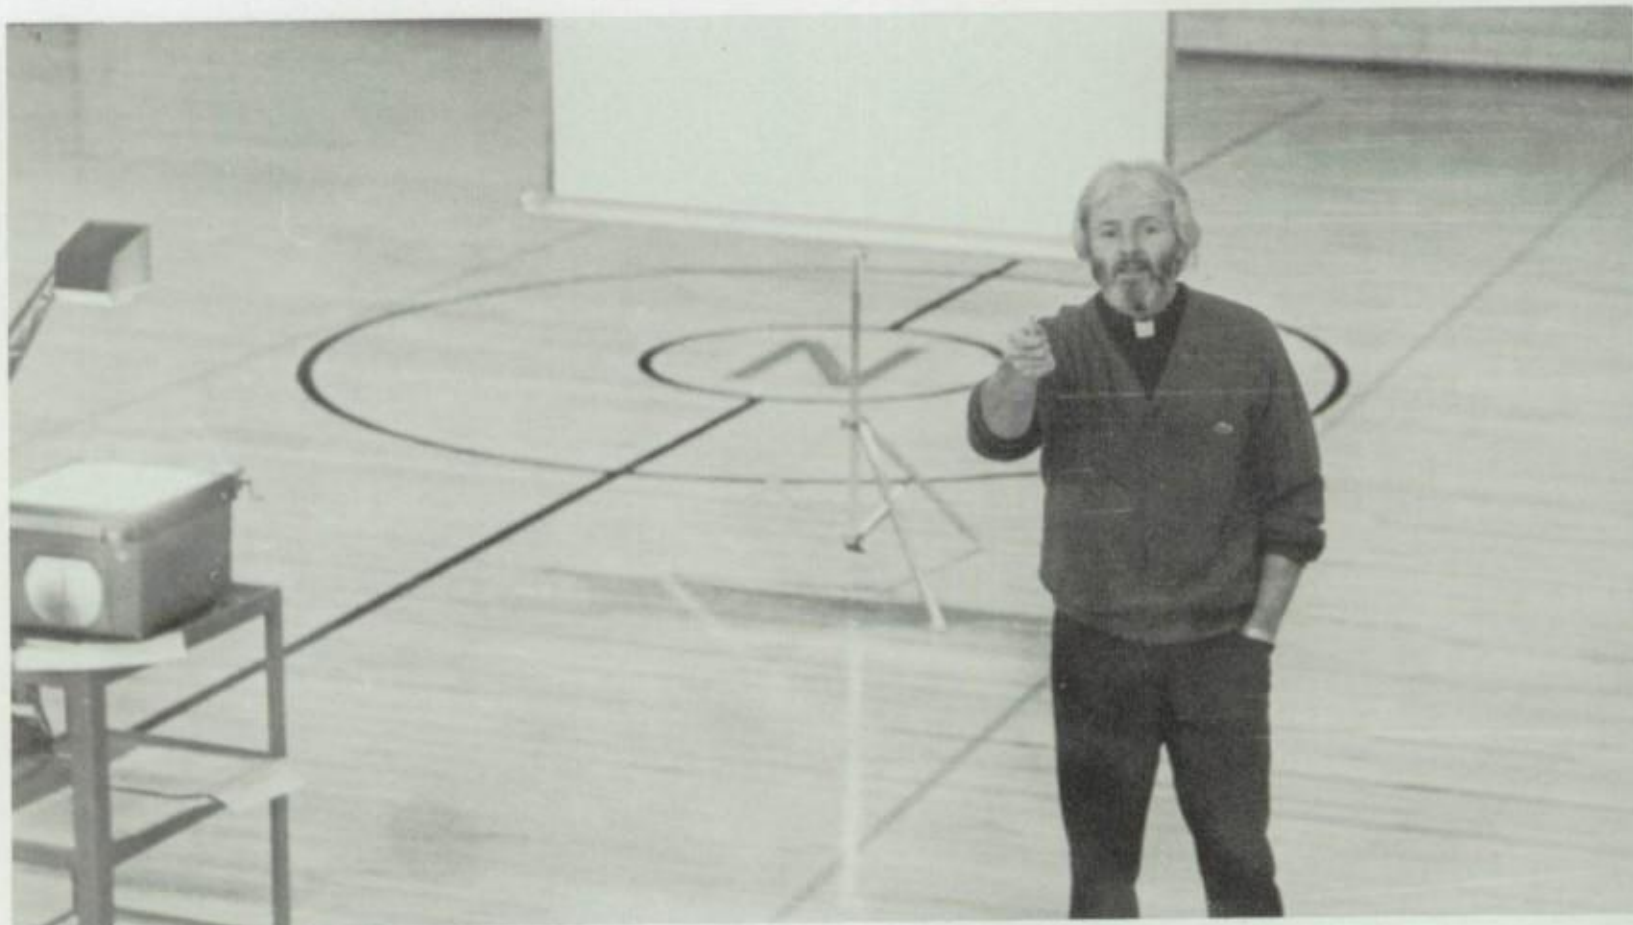

Opening A New World

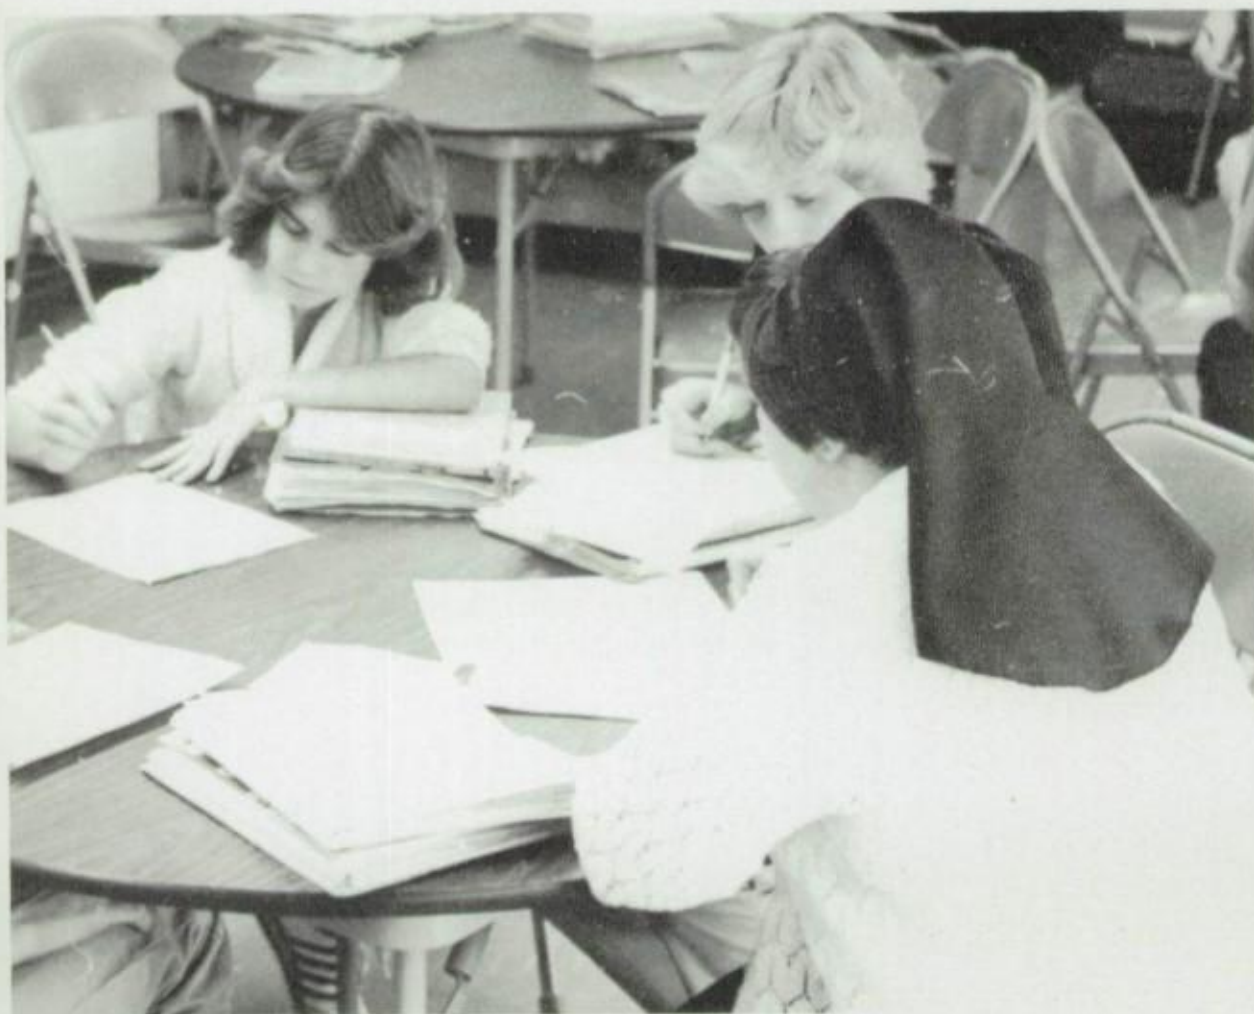

Tom Schmall purchases candy for his valentine from Joe Battleson and Jack Rothamel. The Valentine's Day candy sale is sponsored each year by the science department as a fund raiser.

Spiritual

t u d i e s

Fr. Dave Donovan, missionary priest from Bolivia, explains the cultural, economic and political conditions of the Bolivians.

At work preparing the next school liturgy are Katie Elbert, Monica Dunbar, and Sister Beth Kress.

In service to the Lord, Mike Crowley carries the cross, leading Fr. Ressler, in the procession at the Valentines Day Mass.

You see it works like this — Tim Scholl carefully explains geometric theorem to the rest of the class.

Telling The Story With Numbers

Looking At The Workings Of The World

Patrick Breheny, 1980 candidate for the Iowa Senate, speaks to the government class.

Busy taking notes in American History is Mark Determan during Mrs. Petersen's explanation of the Indian Wars of the Wild West.

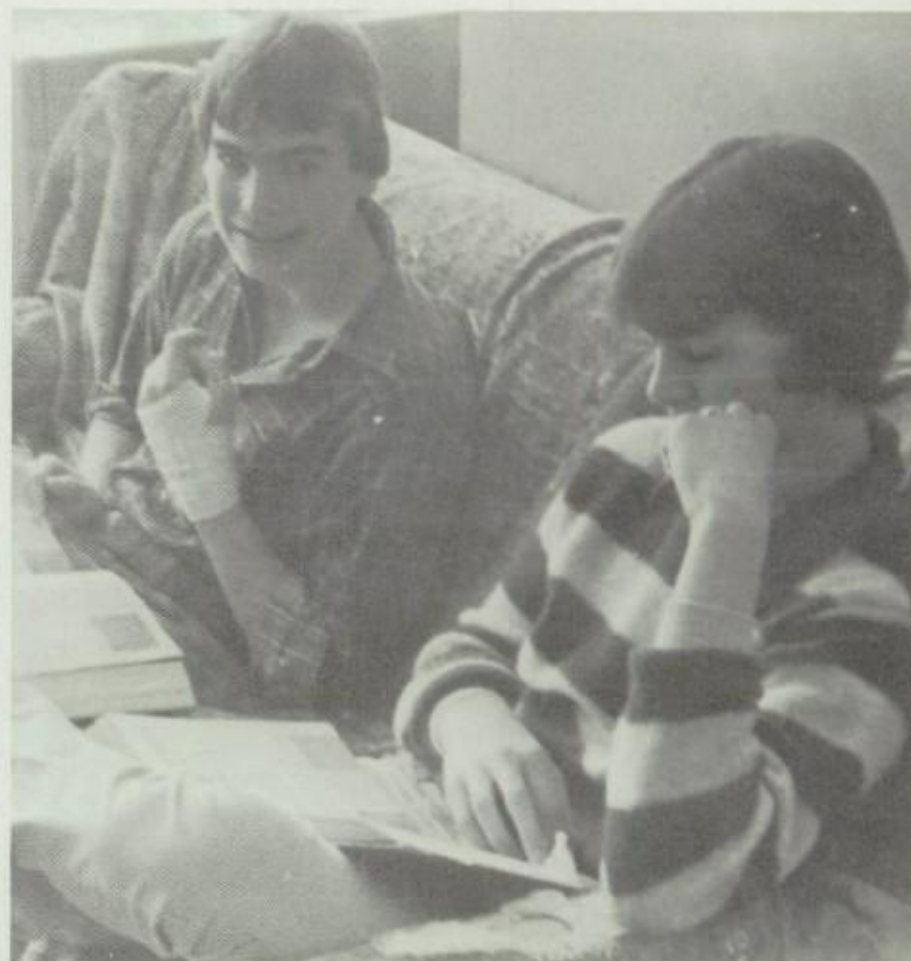

Just keep on typing! Carolyn Taylor works on her typing while Kenny Rasmussen checks her work.

Jeff Farrell learns his world history with Mr. Yapple projecting notes on the overhead.

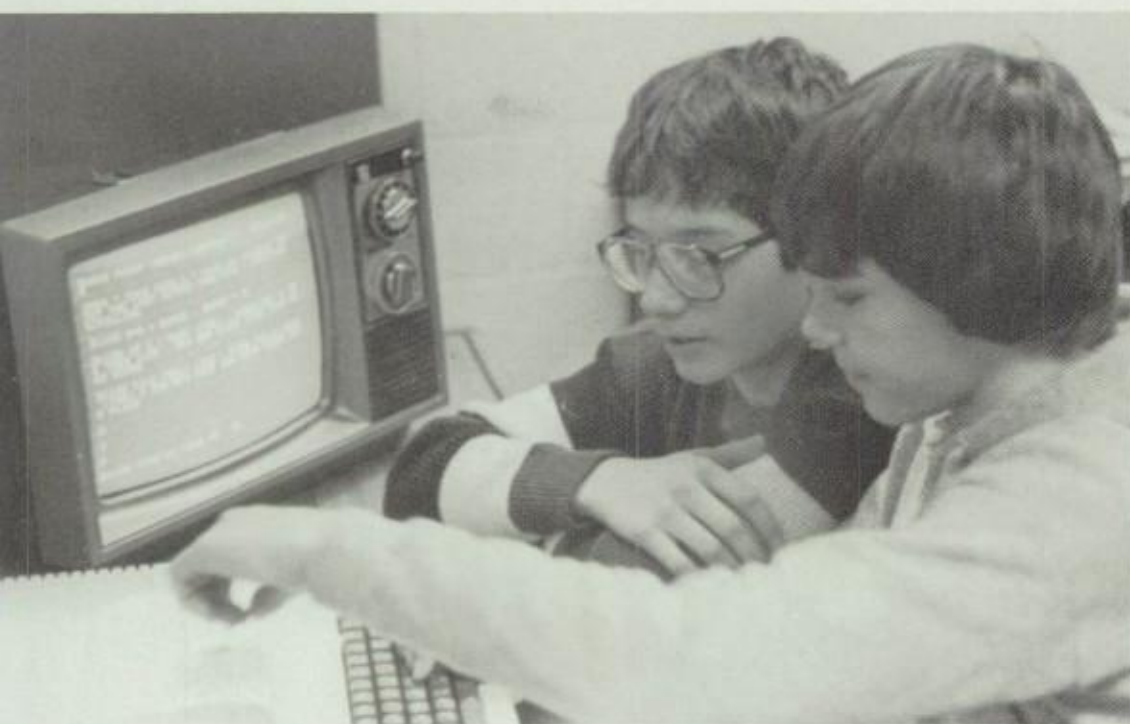

Mike Crowley discusses future business plans with Mr. Roger Mischke, FBIA advisor.

Marty Osterman and Paul Katz take it easy while studying on the couch in the library.

Ready and willing to serve. Newman's guidance counselor, Mr. Tom Flaherty, is available to help students with scheduling, scholarships and career selection.

In Search Of Greater Knowledge

René Recinos and Tim Steinauer put together their program for the Apple II computer purchased for the school last summer.

Sally Peterson sets up a projector to view a career guidance film-strip.

Using Both Mind And Hand

Juniors, Pam Sturges and Darlene Thompson concentrate on completing their woodworking projects.

Anne Wagner looks wishfully at a dish as she prepares, Teresa Caspersen works on another part of the recipe.

(Below) Ms. Gaarder and Deb Elbert join efforts in planning a paper layout.

(Above left), Inger Hasle, foreign exchange student, sands smooth the rough edges of her creation.

Come on strike! Darren Roach and Marty Osterman hope to strike. (Background), Jodi Schwickerath, Lisa Cooper, Doug Walters and Jeanette Mackey wait for their turn to bowl. This year P.E. classes tried many new things including archery, racquetball and bowling.

Developing Mind And Body

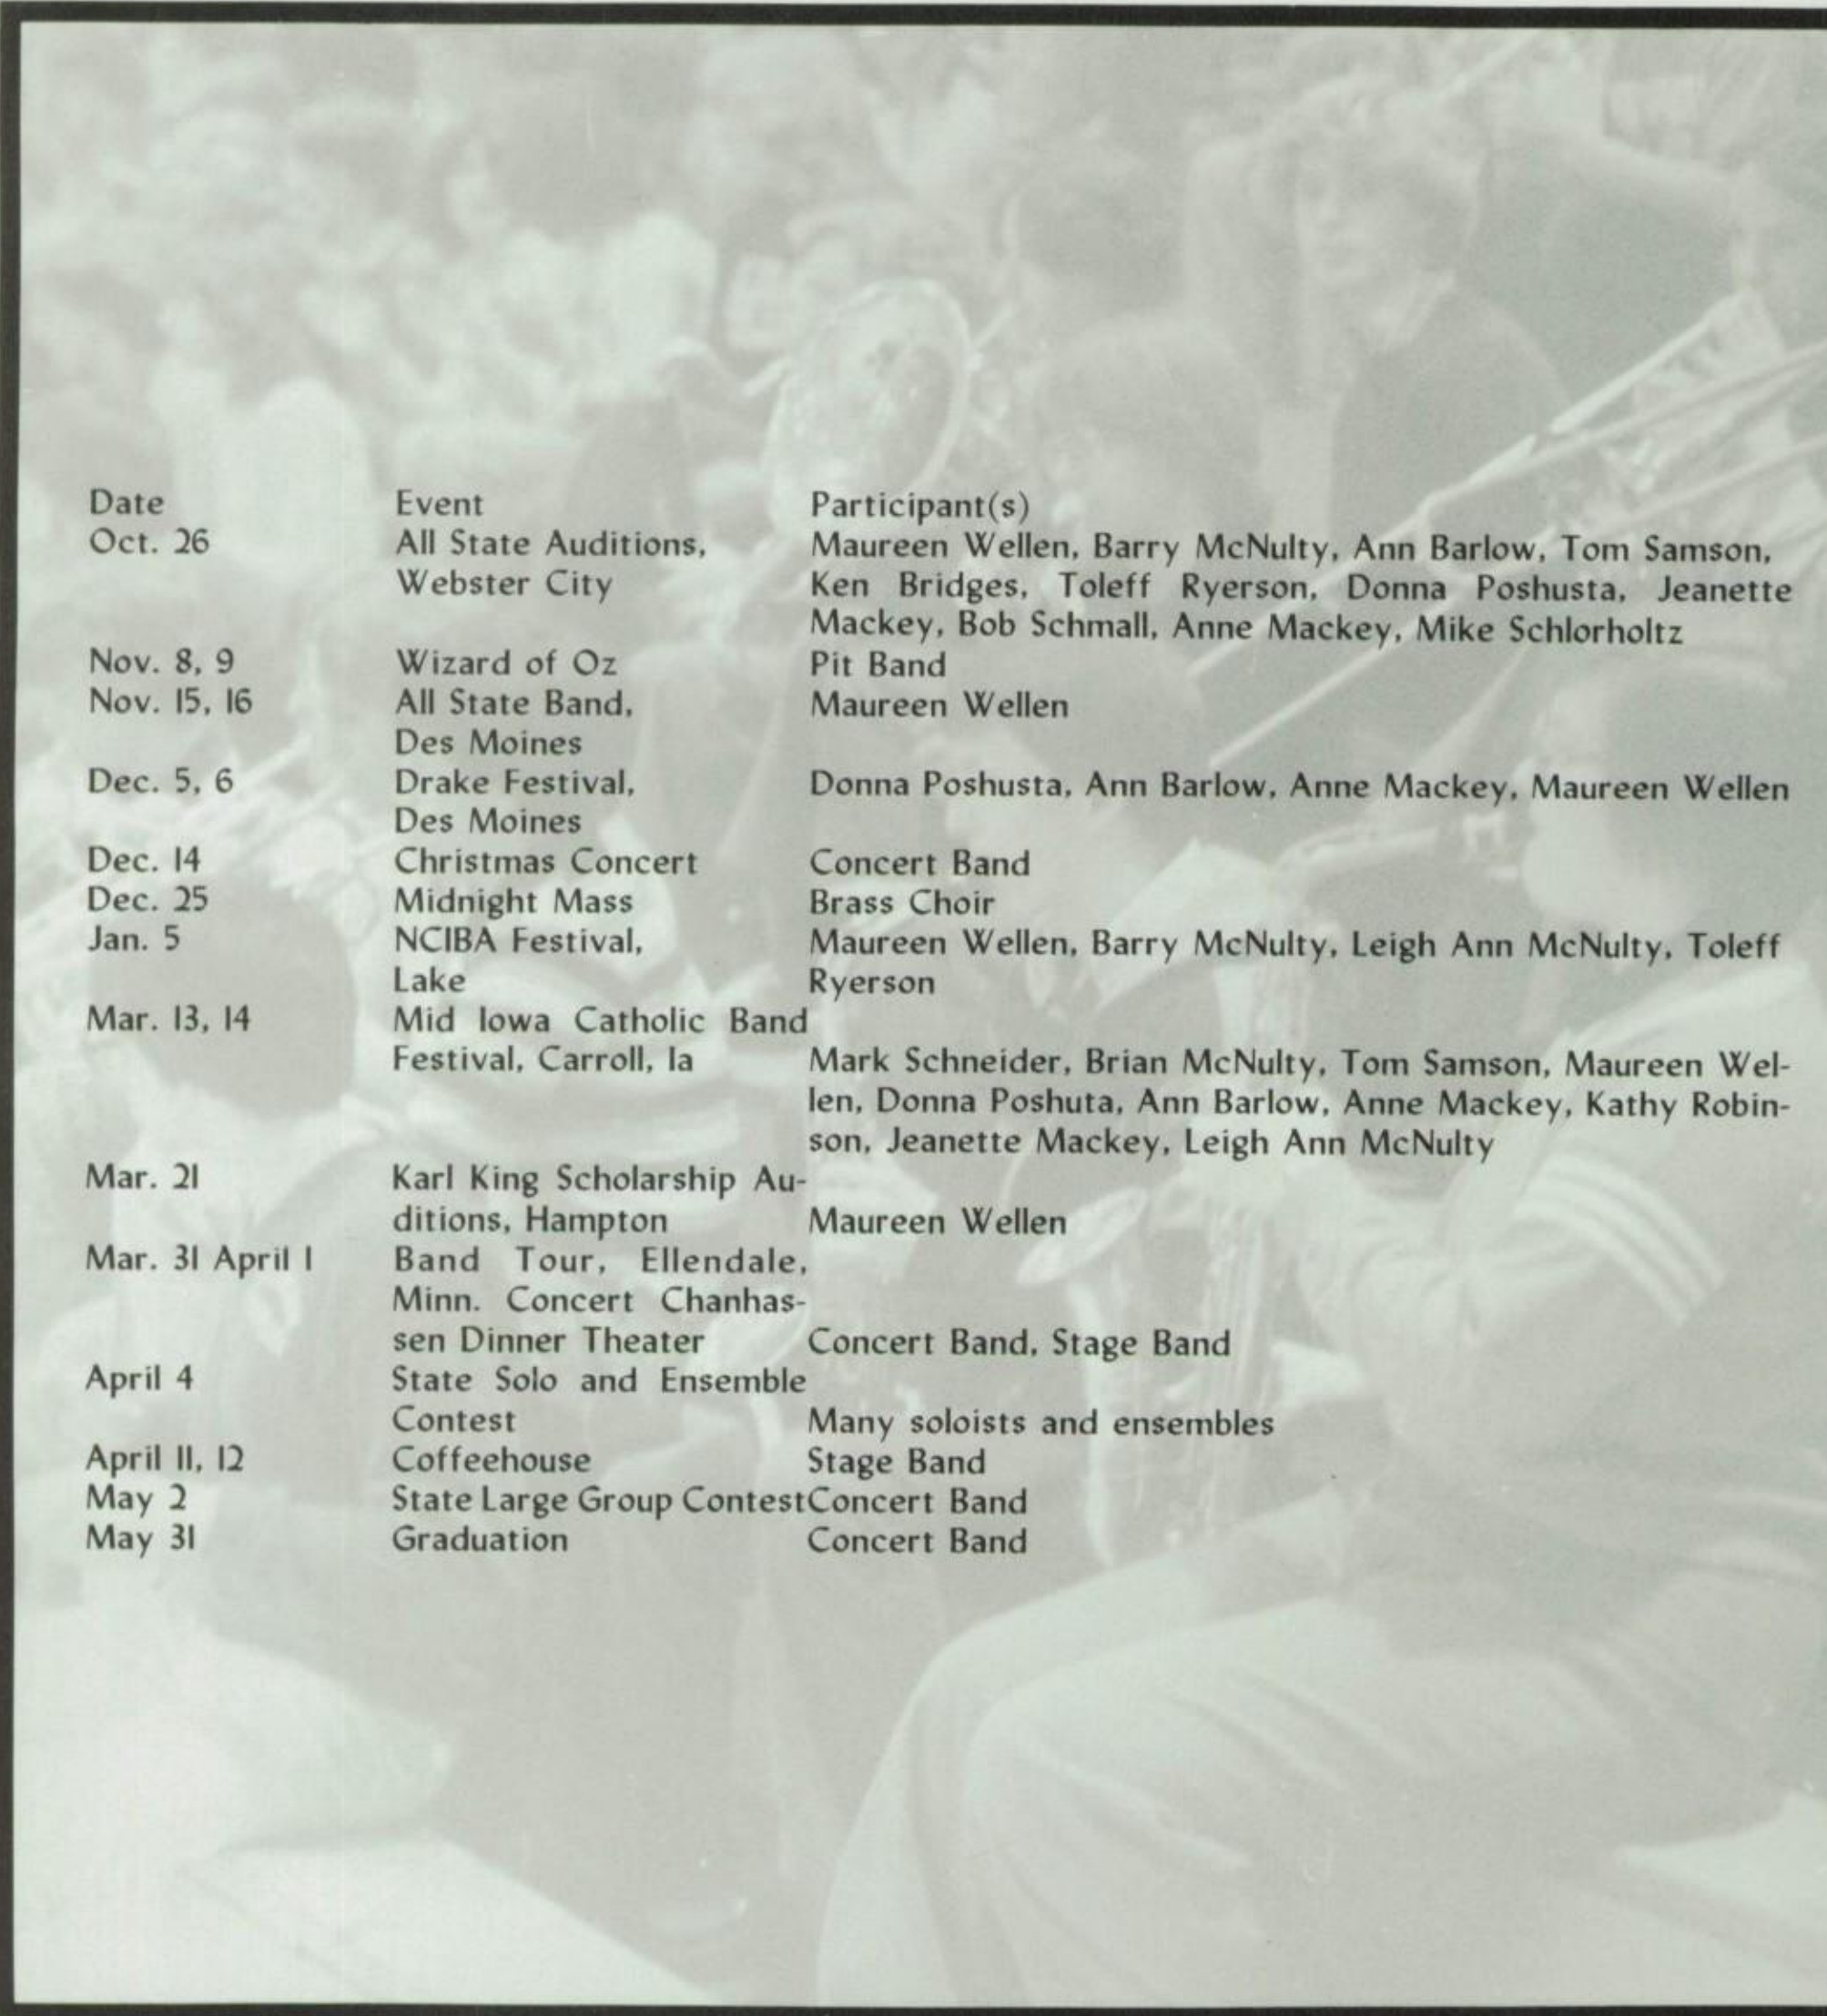

Robert Curtis judges the ball for a forehand kill shot at the racquetball courts.

Joe Kelly puts up a shot over the outstretched hands of Joe Gribben. Bob Taylor moves in for the rebound.

29 Wins Set School Record

Tony Tatone and John Cahalan congratulate Steve Lugar after he crosses the plate for one of the Knights many runs of the season.

Coaches Comments:

The "Hot Summer Knights" were hot again. After the 25 victories and a trip to the state tournament in 1979, the 1980 Knights wanted to go after the school record of 26 victories. That goal and more was achieved in a very special 29 and 8 season.

The seniors on this squad, Mike Douglas, Tony Tatone, Al Borchardt, Dan Cahalan, Steve Klobberdanz and Todd Mullan provided many thrills for the Newman baseball fans and will be missed a great deal.

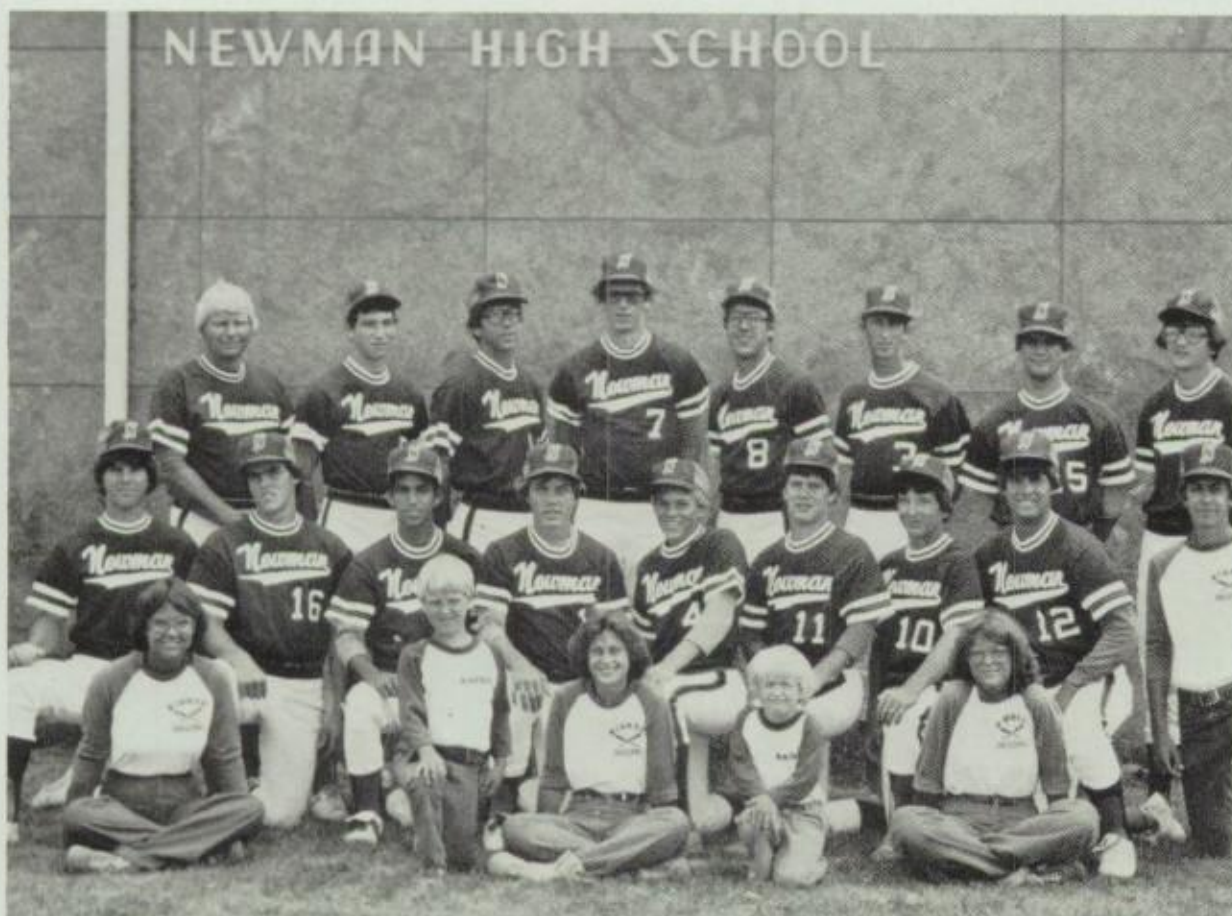

The Knights were very impressive with the bat this year as the team batting average was well over .300 and the Knights scored in double figures in 15 games.

Among the accomplishments in the 1980 season was a repeat Big Marsh Conference championship. Also, by defeating Clear Lake and Garner we brought home the Garner Tournament trophy. In early June, Newman was declared the Nashua Tournament champions by way of victories over Fredricksburg and Sumner.

Probably the most memorable part of our season occurred in a short 24 hour time period. On a Thursday the Knights, behind the pitching of Joe Gebel, defeated the Mohawks 5-1. Friday, with Tony Tatone on the mound, we upset the number 2 team in the state, Bancroft, 3-2.

Pride and determination made up this fine team.

Al Borchardt takes a healthy cut at the ball in the opening game of Newmans' tournament. The Knights beat Forest City in that game

Everyone on the team contributed in some way to the school record 29 wins. Here, Scot McKinnon is warming up one of the fine pitchers on the Newman pitching staff.

coaches comments:

The junior varsity baseball team started out rather slow but finished strong by winning 5 of their last 7 games. The second half of the season the Knights avenged earlier losses by defeating teams such as Algona Garrigan, Mason City and Iowa Falls.

Because of the difficult schedule of the JV team the future of Newman baseball looks bright.

With 6 seniors, all of them starters, graduating from the 1980 varsity team, 1981 could be somewhat of a rebuilding year. But with this group of junior varsity players and 9 varsity members from the 1980 team returning, the Knights will again be in the headlines.

At State Meet

The thrill of victory is evident in the faces of these Knights. They are (l-r) Bob Taylor, Jeff Gribben, John Cahalan, and Bill Neibauer.

Joe Gribben shows good running form as he runs at Luther College in Decorah, IA.

coaches comments:

Overall we had a very good Cross Country season. Midway through the season we had a few accidents and illnesses that prevented us from doing as well as we could have. We were disappointed that we did not make it to State to defend our Class B championship, but four of the top five teams in our class at State were from our District.

We only graduated one of our top five runners, so the 1981 season looks hopeful. We will miss our seniors- Jeff Gribben, Tom Samson, Steve Pirk, and Brian McNulty.

Special recognition should be given to the only State Cross Country qualifier from Mason City, Nancy Peterson. Nancy, only a freshman, finished 17th in the Girls Class 1A-2A State Cross Country meet with a time of 12:17. This was excellent for a freshman. We look forward to three more years of excellent running from Nancy.

Fr. Mark Ressler

There is no speed limit on the Newman Cross Country course as these Knights know. They are, (l-r) Bob Taylor, Steve Pirk, Jeff Gribben, John Cahalan, Pat Burke, and Chuck Knapp.

coaches comments - The Newman

Girls had a successful Fall season, they had a record of 6-4. The girls won the Meservey-Thornton Softball tournament with a fine win against a strong Belmont team. Five girls batted over .300 for the season led by Kate Barr, Lauri Mason, Ann Otten, Mary Otten and Theresa Borchardt.

The outlook for the future is bright as we will lose only Lauri Mason from the team.
Coach Vega.

Lauri Mason executes a perfect slide into second base as the throw comes in high against Algona-Garrigan.

Tracy Wentworth takes a couple of practice swings before the game begins.

Mary Otten keeps her eyes on the coming pitch for a sure hit.

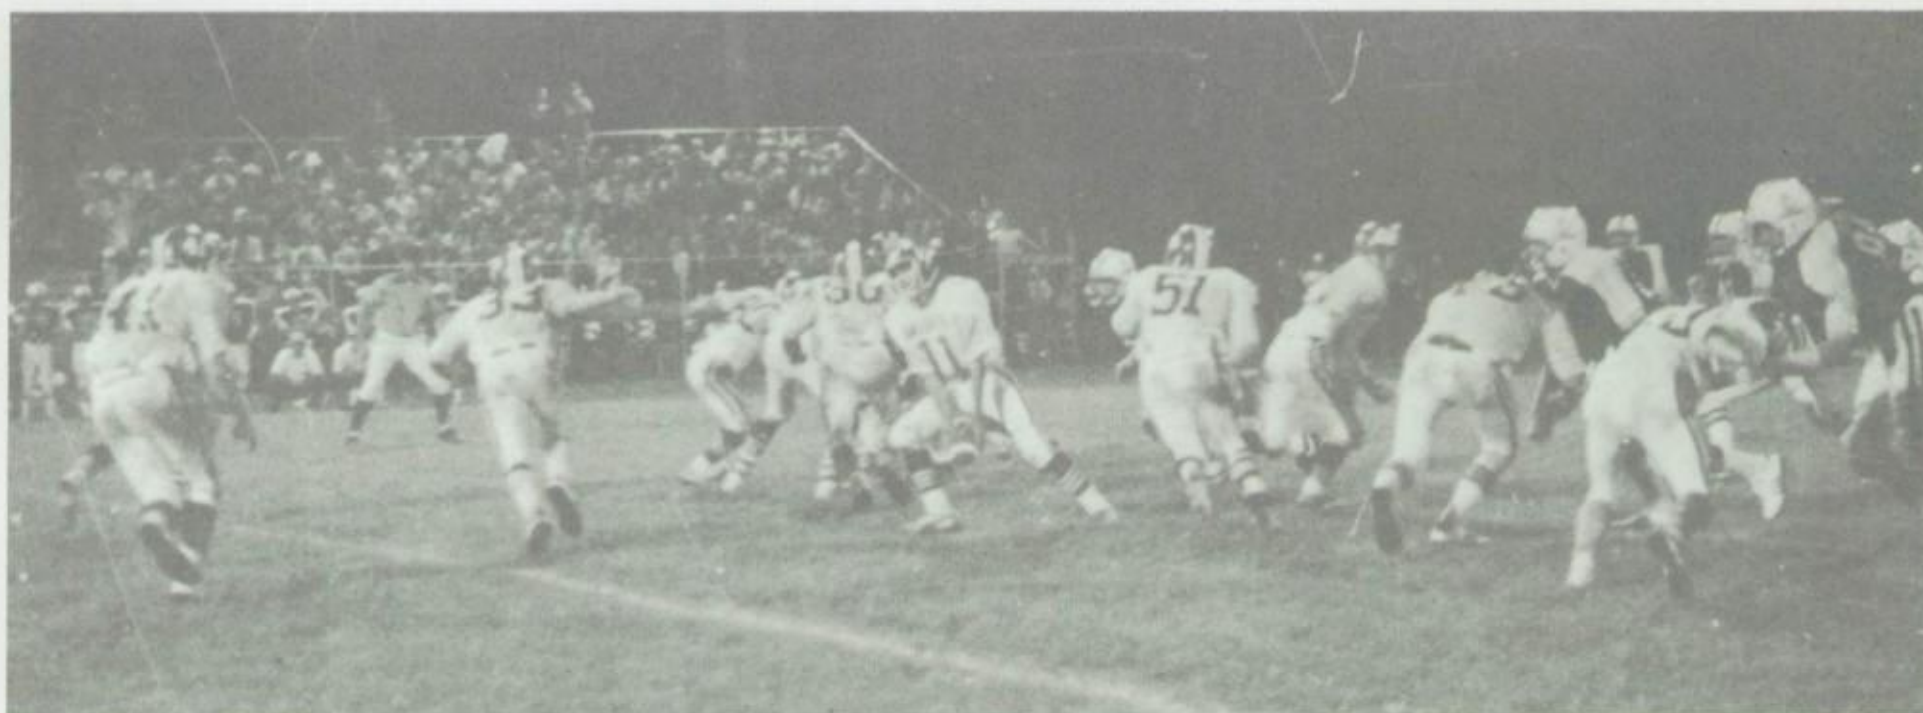

For A Strong Season

Randi Hodak squares around for a bunt to advance some runners.

Ann Otten gets set to release one of her fierce pitches to an unknowing batter.

Knights Struggle

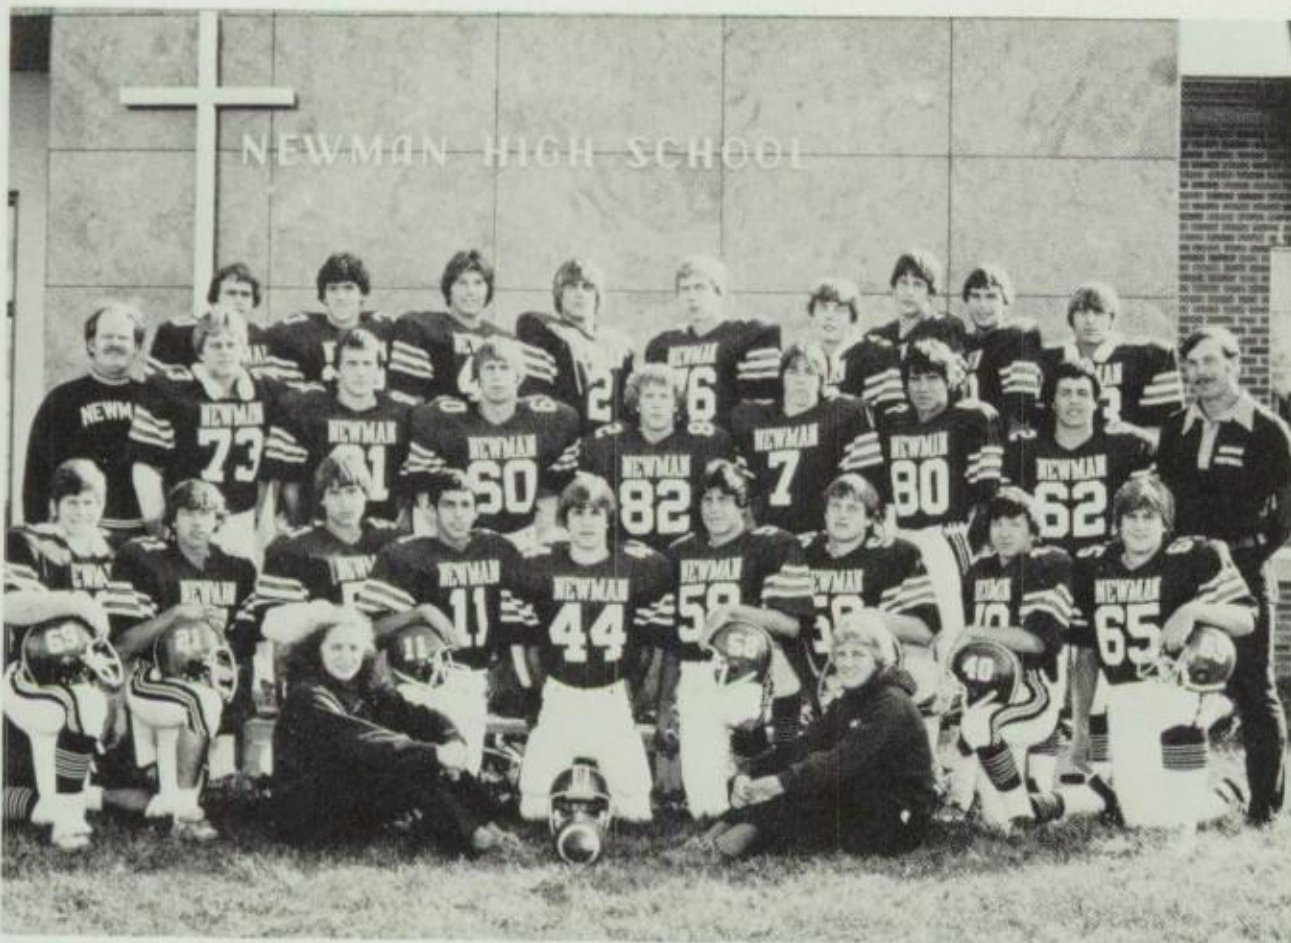

Steve Lugar hands off to Dave Freie in an attempt to break through the line against Algona-Garrigan.

Joe Determan seems to be praying for a fallen foe as Tom Schmall looks on.

To 3-6 Season.

coaches comments - The 1980 Football season was marked by injury and frustration. We began the year with high hopes of a successful season and repeating as Big Marsh Conference champions. These goals were never realized, however, because of our failure to play as a team until late in the season.

Our three victory season was highlighted by our third consecutive Homecoming victory, a school record 54 points against Plainfield, and the first victory over North Central since 1975.

Congratulations go to All Conference Performers: Ernie Hickey, Mark Schneider, Pete Nettleton, and Kevin Esser.

coaches comments: The 1980 football season started with three very impressive victories over Garrigan, Clarksville and Osage. We followed with three consecutive losses but finished with a good win over North Central.

Our defense was led by Brian Alman (56 tackles) and Randy O'Connor (46 tackles) with Tim Otten and Tim Halloran cited for outstanding play.

Offensively, Dave Hutchison (466 yds.) and Marty Osterman (329 yds.) were our leaders on the ground. With some dedication, weight training and conditioning, these athletes will prove very worthy of playing for a winning Newman football team.

Knights Tie School Mark 9-1 Dual

coaches comments - It just keeps getting better. The 1981 edition of Knight grapplers rose above the expectations of many of our followers. We produced our second 9-1 dual season; won our second Big Marsh dual title; our second Inter-Conference title; the Ackley Tournament; were runner up in the Alden and Northwood tournies; and highlighted our season with our first Sectional title and advanced four wrestlers to State.

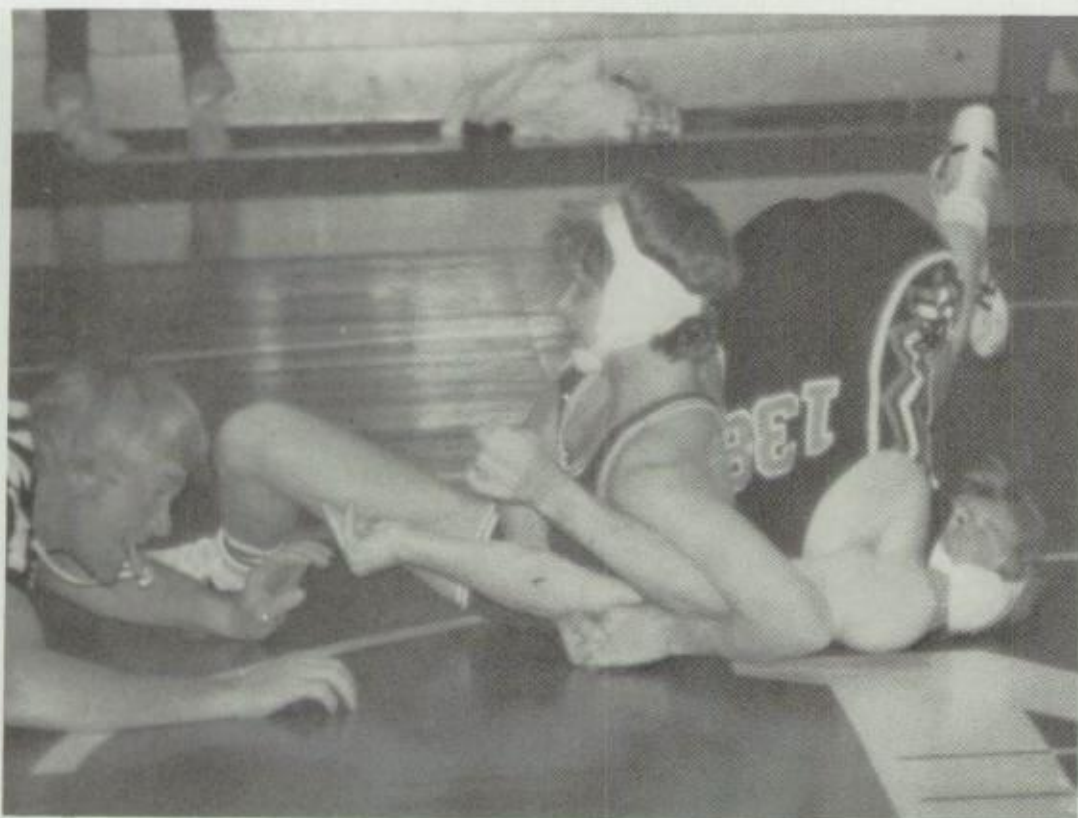

We look forward to next year, with Seniors, Bob Taylor, Matt Shannon, Bill Neibauer, And Randy Lindquist; letter-winners Rich Logan, Kurt Brumm, Jim Gribben, and Tollef Reyerson lead the way to further greatness.

Above, Jeff Gribben works to put his man on his back. Jeff placed sixth in the state at 132 lbs. Right, Bob Taylor shows his determination in trying to, and eventually pinning, his opponent. Bob was a state Qualifier at 126 lbs.

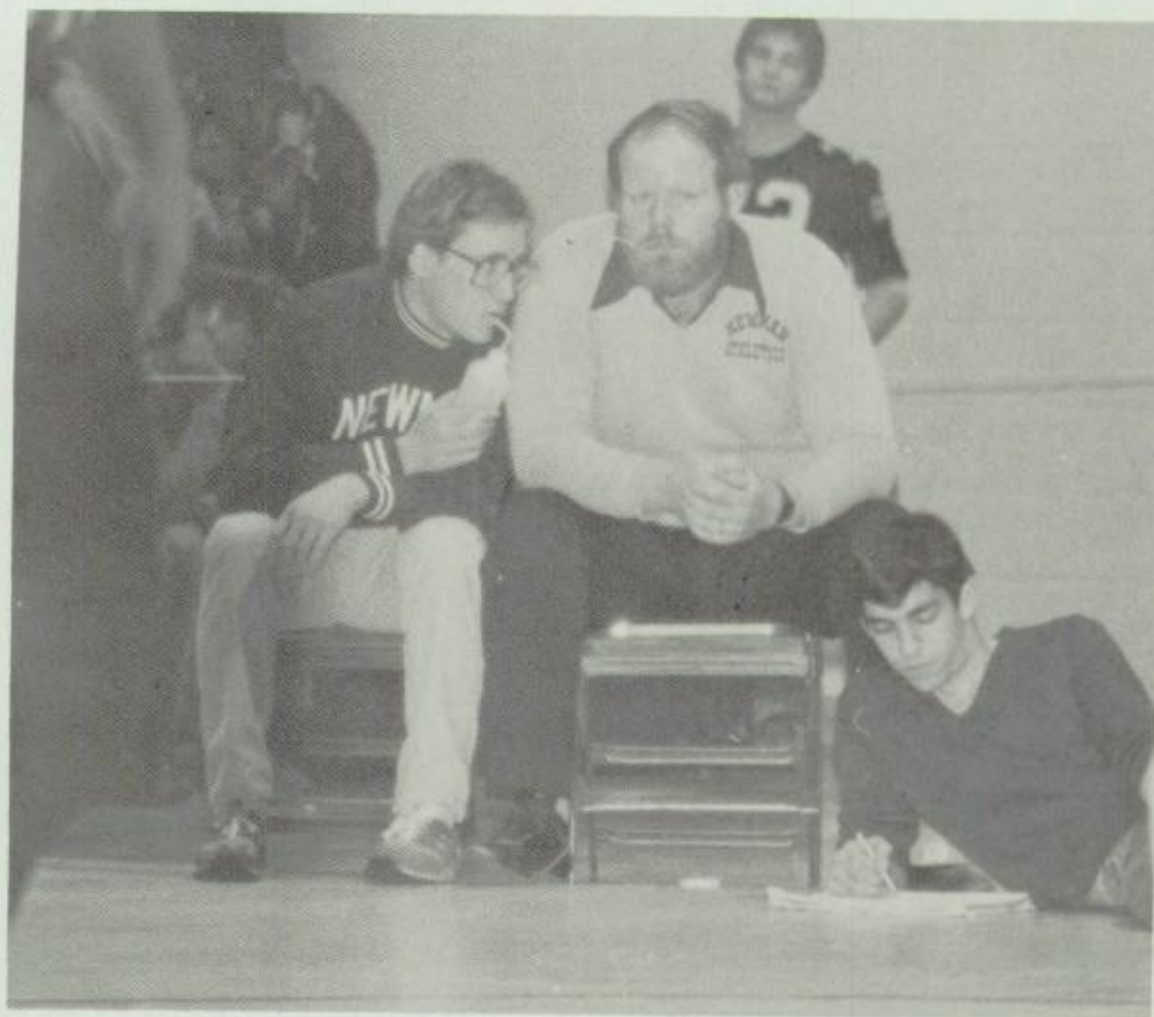

Ron Olson is pleased with the position in which he is in as is evidence by the smile on his face.

Tom Samson stays snugly behind his opponent as he works to take him back to the mat.

Tom struggles to escape so he can do what he does best, win. Tom was one of the Senior leaders this year.

coaches comments- The 1980-81 j. v. was as strong as ever. As I have noted before, the j.v. is the backbone of a strong varsity. This year we had a very strong varsity and the j.v. kids had a lot to do with it by the way they performed in the practice room.

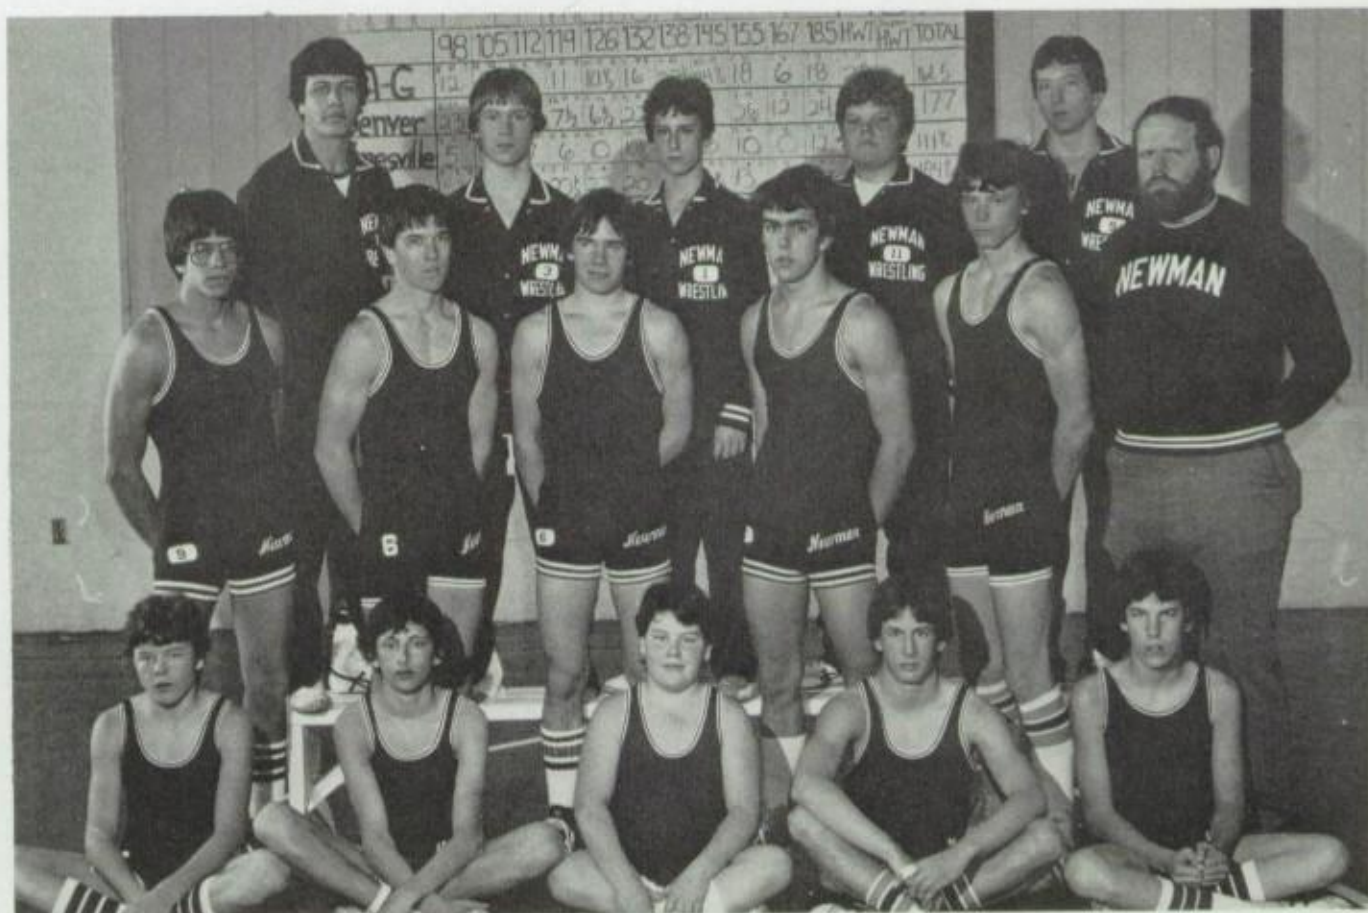

If an illness came up during the season a strong substitute was handy; Bill Neibauer filled in very well for Ron Olson at the Ackley tournament.

Overall I was pleased with the effort that was put forth and am looking forward to see how these fine young men mature to varsity status.

"What, Me worry?" Janet, Marry, and Darlene were a big part in the Knights success this past season. As you can see they can contain the opposition pretty well.

Janet just can't wait for the tape dance after the game, she's practicing already.

Ann Otten powers a shot over the defense with Lauri and Mary ready to assist. Lauri Thomas, Mary Otten and Ann Otten seemed to be the combination for the Knights scoring attack this season.

coaches comments: On November 3, 1980, 42 girls showed up for the first basketball practice all were eager and had visions of a good season. By the end of February, some dreams had become reality, some had not; the Jr. Varsity team had its best season yet and a Freshman team had been started. The Varsity team tied its best season record (16-5), but finished third in the conference with a record of 9-3. Again we met Britt in the District Championship game and played one of our best games of the season, but Britt was just too tough for us.

The growth and improvement that I have seen in Girls Basketball at NHS has been very rewarding. With hard work and dedication the program should continue to grow.

Tie

Tom Douglas shows perfect form as he lets go a jump-shot during one of the Knights games.

coaches comments - The Newman Boys Basketball team reported to practice around Nov. 1st with only three Seniors, eight Juniors and two Sophomores. With the obvious lacking of experience not a great deal was expected of these thirteen young men. By the end of the season, they had proven themselves to be very worthy competitors. The 1980-81 team finished the season with a highly respectable 13-8 season and tying for the conference championship for the second year in a row.

Excitement was a great part of the 1980-81 season with a last second win at Dumont, a double overtime victory over New Hartford, a last quarter comeback at Janesville needed for a conference championship tie, and a triple overtime victory in the 1st round of Sectionals. With a lot of hard work between seasons along with the fact that there will be six returning lettermen, 1981-82 Basketball should hold alot of promise for Newman fans.

coached comments - In early April, 19 boys reported for Boys Golf at Newman. As practice progressed, an anxious but inexperienced squad emerged as 7 to 8 boys fought for varsity positions.

The 1980-81 Newman Boys Golf team set a number of first for Mason City Newman. Some of these included; the first Newman team to ever win a large tourney, (We placed first at Parkersburg) the first Newman team to have a winning dual record in some years, (Finished at 7-5) the first Newman Golf team EVER to win Setionals, (at Garner) the first Newman team EVER to have a Sectional medalist. (Dave Hutchin-son.)

So one can see it was a real fine and enjoyable season for these boys but the best could be yet to come. We will lost Senior Steve Hutchison but all others will return. So boys golf could once again become a strong point at Mason City Newman.

coaches comments - As interim track coach I really appreciated the opportunity to work with a small group of dedicated young men, who really put out all they had to give. They allways did as much and more than I asked. I only hope that they are joined by more participants next year to help a strong nucleus turn Newman into a power to be reconed with. coaches comments - Led by seniors Robin Hodak and Janet Ermer, the Newman girls had a very successful season. They won the Blmond Relays, second at the Ventura Relays, they also repeated as Conference Champions. The Newman girls qualified in three events for the State Track Meet in Des Moines; the Distance Medley with Christy Mullany, Janet Ermer, Theresa Borchardt, and Nancy Peterson, Ann Otten qualified in the Softball throw and Nancy Peterson qualified in the 1500 meter run. Nancy was the only to place at State, she finished sixth.

coaches comments - Again this year our won- loss record was not very good. However I was very happy with the way the girls were playing from mid-season on. We had some good matches with some tough teams.

The 1981 season saw many new faces. We tripled in size over the 1980 team with 21 girls out for the team this year. 4 of our 6 varsity players were Seniors, so we will have some rebuilding to do next year.

I was pleased with the dedication and enthusiasm of the girls. Their hard work should be an asset to them in the future.

I was very proud to work with the girls tennis team this year.

coaches comments - With five returning letterwinners this year, the outlook was good for an exciting season. We placed second at Sectionals and advanced on to Districts. Both of these feats had not been done since 1969 here at Newman. Also the girls beat the Mohawks for the first time since 1969. The success of the team would probably be due to the overall balance. The stroke average on the team is between 52-55. The girls showed good improvement. I think they accomplished more in two years than most do in four.

Math, Science, And Physics Students Show Skills At Contests

Victory, defeat, competition and olympics doesn't only apply to athletics. This year's science, math and physics groups experienced some of the above. On March 7, Mrs. Carlson and a 10-student team took part in the Wartburg Math Field Day. Some events were a 5 minute talk-a-thon and a 2 hour test where note exchanging was legal. Students interested in attending Wartburg were eligible for a \$1,200 scholarship.

PHYSICS OLYMPIANS prepare themselves for their big day ahead. They are Mike Schlorholtz, Dan Ermer, Sally Peterson, Maureen Wellen, Kathy Clapsaddle, Dick Logan, Jim Clapsaddle, Bill Nettleton, Bobby Taylor, Jeff Pirkel, and Sister Cynthia, (coach), (above).

PARTICIPANTS in the 19th Iowa Junior Science Engineering Humanities Symposium are (left to right) Michelle Smith, Rita Thompson, Ann Poshusta and Tom Doering. Not Shown, Bob Schmall (middle left) ANXIOUSLY AWAITING departure from Newman to UNI are seniors Tom Schmall and Joe Battleson. (above)

WARTBURG field contestants are Joe Schleuter, Mark Schneider, Bob Schmall, Ann Poshusta, Jack Rothamel, Donna Poshusta, Mrs. Carlson (adviser) Ann Barlow, Maureen Wellen, Tom Schmall, and Rob Arnold.

Approximately 70 math students participated in the Bankers' Life National Test on March 10. The two hour test was held in the library.

Sr. Cynthia and her 10 Olympians competed in the Physics Olympics on March 10. Among other enteries, Mike Schlorholtz and Danny Ermer entered a bike they appropriately called "Schl-Erm".

Nov. 13 and 14 saw Sr. Dennis and 7 Seniors at UNI for the scholarship contest.

PEP CLUB MEMBERS Front Row: Debbie Goranson, Lisa Boehmer, Jane Roach, Paul DiMarco, Jean Hansen, Robin Hodak, Janet Ermer, Lauri Thomas, Jill Hutchens, Ann Mackey, Deb Panther, Ron Olson, Anne Wagner, Mary Schlorholtz, Rita Thompson. (above) READY TO BLOW are Kazooers Theresa Borchardt, Julie Hutchison, and Lisa Roggeman, while Mrs. Carlson, (background) fires up the crowd. (right)

Promoting Pep Any Way They Can

Having a new adviser adds some fresh thoughts and ideas to a pep club. This year's group sold "Knight Power" jerseys for one thing. Also a kazoo marching band was formed, an idea Mrs. Carlson brought from the school she had previously taught at. Pep Club participants also helped cheerleaders with posters and locker decorations.

OFFICERS John Cahalan, Jr. Rep; Janet Ermer, Sec.-Tres.; Lauri Thomas, Pres.; Mr. Myhus, adviser; Theresa Borchardt, Vice-pres.; Ron Olson, Sr. Rep.; Kathy Clapsaddle, Soph rep.

LETTERWINNERS, (below), Anne Ermer, Jane Reuter, Maureen Wellen, Jean Hansen, Mary Schlorholtz, Ann Barlow, Randi Hodak, Michelle Smith, Christy Mullaney, Theresa Gribben, Lauri Mason, Teresa Fitzgerald, Beth Gallogly, Carolyn Taylor, Amy Arnold, Sue Halloran, Rita Thompson, Julie McClung, Kathy Boyle, and Cindy Sturges. Second Row: Jack Rothamel, Steve Barnish, Theresa Casperson, Debbie Panther, Anne Wagner, Robin Hodak, Joe Gebel, Mark Determine, Traci Wentworth, Kathy Clapsaddle; Lisa Boehmer, Dan Ermer, Joe Schleuter, Paul DiMarco, Ron Olson, Barry McNulty, Bill Nettleton, Third Row: Lauri Thomas, Mary Otten, Ann Mackey, Janet Ermer, Jerry Gribben, Mike Hoppman, Scott McKinnon, Janice McClung, Debbie Elbert, Anne Otten, Julie Hutchison, Theresa Borchardt, Randy Lindquist, Steve Lugar, Jeff Gribben, Steve Hutchison, Ken Bridges, and Pat Burke. Back Row: Mr. Nhyus, (adviser), Kevin Esser, Jackie McAleer, Jeff Pirkel, Mike Crowley, Dave Freie, Mark Schneider, John Cahalan, Bob Schmall, Tom Douglas, Ernie Hickey, Doug Mennen, Chuck Knapp, Rob Arnold, Pete Nettleton, Kate Barr, Bob Taylor, and Kurt Brumm. (Not Shown, Beth Grimmond)

Letterwinners Club

Besides earning their varsity letters, which is a prerequisite of being in the Letterwinners Club, the freshman, junior, sophomore, and senior letterwinners were busy taking part in and raising funds for the club.

One means of raising funds was selling Christmas ornaments.

An all time favorite money raiser was the Donkey Basketball game. On March 11, Bob Crosby's donkeys came to Newman to be ridden up and down the basketball court in a Letterwinner vs. Alumni and Faculty vs. Booster Club showdown. After winning their first round games, the alumni took on the Boosters, with Alumni reigning as overall champs.

Topics of discussion at meetings were mostly what to do with the money brought in.

Action In The KNIGHTLIFE

The sixth hour Journalism Production Class, putting out two productions, required a lot of action. This year's KNIGHTLIFE and SCRIBE staffs shared one room.

For the yearbook staff, learning how to handle darkroom facilities, drafts, forms, tools, a lot of responsibility and a lot of pressure is sure to prove beneficial. After not being a yearbook advisor for 5 years, when she was one at Columbus, Sr. Beth is once again head of a yearbook staff. Due to the KNIGHTLIFE'S limited staff, hard work and determination was imperative.

STUDIOUSLY doing her work in room III is Lauri Thomas, (top). CAUGHT in front of the camera is Beth Grimmond who was taking pictures on a bright Fall day, (above). WHAT WAS THAT? asks Marie Solari, a foreign exchange student from Colombia. Marie worked on her school newspaper in Colombia but this is her first try at yearbook work. (right)

KNIGHTLIFE STAFF (above) Lauri Thomas, Sports and Album; Beth Grimmond, Co-editor and activities; Jean Hansen, Co-editor and Ads; Marie Solari, Organizations; Back: Mark Schneider, Academics; Paul DiMarco, Sports; Ron Olson, Business. Special Spring Activities

Mr. Nyhus' Freshman homeroom contributed the most (\$106.49) to the Lenten offering taken up to help the missions. A total of \$505.41 was collected from the 20 homerooms.

The movie star enjoying the Florida sun is Paul DiMarco. Paul, Jeff Gribben, Ron Olson and Joe Gebel Drove to Daytona for a 10 day spring vacation.

Above: Ron Olson and Jeff Gribben work on their winning tans, but Paul "Darky" DiMarco gave them too much competition.

How Great

Thou Art

The Art II class at Newman gave exchange student, Inger Hasle her first opportunity to oil paint.

Pam Sturges looks for ideas for her water color painting.

Right: Art II student Doug Chodour contemplates his drawing project. Above: Darlene Thompson, Pam Sturges and Doug Chodur enjoy the art display put on by their art class.

Scott McKinnon smooths the edges of the key he shaped from piece of walnut.

Above Coach Dave Peters recruits a new center during the Boosters' annual Donkey basketball game. Upper right; Scott Mckinnon brought home the bacon for the Cheerleaders' Kiss the Pig Contest. Proceeds went toward the new varsity uniforms. Middle right: We've heard of stubborn guards, but this is ridiculous!

We're part of a lot of people's lives.

Your Uncle Harry worked here so long his retirement party was the talk of the family. You gave directions by saying, "Just go out past LOF and..."

A company like ours becomes a landmark, a road sign, a sundial, a paycheck. A permanent part of your hometown.

That's a responsibility. We make important products that

are sold all over the world. But we feel another kind of responsibility too.

To look forward. To do all we can to make our community the very best it can be. After all, we don't just work here. We live here too.

Epilogue

The End . . .

But The Sequel

A tale has been started -
none will ever be equal the
past is the beginning -the
future is the sequel

B.G.

Co-editors Beth Grimmond and Jean Hansen begin the sequel to "Another Year . . . Another Story" with '82 'Knightlife' staff member Deb Elbert (above). Room III (the Scribe and yearbook room) was notorious for its many parties. Shown left are Sister Beth and Jean Hansen at Sister Beth's birthday party. (Below) Seniors Beth Grimmond and Jean Hansen say their final good-byes to Newman.

Is Up To You

The last pages of the 1980-81 'Knightlife' are being finished. We won't say this has been such a great year, this is a story, not a fairy tale. There have been fun times, though. Like the parties when a deadline was met, or a staff birthday. But there was the reality of working to meet those deadlines. The 'Knightlife' staff has learned a lot. Not just of yearbook, but about ourselves and others. We hope our labors are enjoyed.

Jan & Beth
